## Fiscal Year – June 30, 1980

# DEDICATED TO

## *Gertrude C. Bardwell*

This year's annual report is dedicated to GERTRUDE HASKELL BARDWELL, fifteenth postmaster of Whately, on her retirement after twenty-two years of devoted service. "The smile in the center of the town" according to a recent article about her, she has left a legacy of concern and affection for that town few could equal.

Whately's post office was the place where, while the mail was sorted, one learned the local news, discussed election returns and issues, railed at taxes or the weather and became an active part of town life. She obtained permission to sell newspapers and gave freely of the time needed morning and afternoon to distribute them.

Works of local artists, photographs of Whately's past and handcrafts were a monthly feature. Like her cheery greeting and her smile they helped to welcome all comers. It was Gerty who kept the town apprised of golden wedding anniversaries or important birthdays; she who was called when ambulance or firetruck raced through the street. Window boxes filled with flowers or greens, the little old-fashioned tree at Christmas were integral parts of the post office under GERTRUDE BARDWELL.

She handled the pressure of proliferating regulations and reports with serene competence, never showed the stress Christmases imposed — Helped Spanish speaking tobacco workers send money orders and packages home, handled lines at her window with unruffled composure and unfailing friendliness.

Yet in addition to her work as postmaster she is a valued member of Whately's Historical Commission, president of Whately's Historical Society, takes time to make Barbie doll wardrobes, cookies and candy for both church and library Christmas Fairs, to embroider exquisite parameters for the church, and has created the Bardwell family quilt, a needlecrafted interweaving of town and family history.

Few accolades could sum up GERTRUDE BARDWELL better than those words so often said of her: "Everyone loves Gerty".

Gertrude Haskell Bardwell

# Commonwealth of Massachusetts

FRANKLIN, SS.

To either of the Constables of the Town of Whately in the County of Franklin

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said town, qualified to vote in elections and in town affairs, to meet at the Town Hall in said Whately on Saturday, the twenty-fifth day of April next, at one-thirty o'clock in the afternoon, then and there to act on the following articles:

(R) indicates Article recommended by the Finance Committee

ARTICLE 1. To raise and appropriate such sums of money as may be deemed necessary to defray the expenses of the town for the fiscal year from July 1, 1981 to June 30, 1982.

ARTICLE 2. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17. (R)

ARTICLE 3. To see if the town will vote to authorize the Selectmen to prosecute and defend all suits that may be brought in behalf of, or against, the town and employ counsel for the same. (R)

ARTICLE 4. To see what the town will do with the money received from the County called the Dog Fund. (\$156.63) (R)

ARTICLE 5. To see if the town will vote that the Cemetery Commissioners be authorized to act as Sextons, their compensation for cemetery work and for opening graves to be fixed by a vote of the town, or take any other action relative thereto. (R)

ARTICLE 6. To see if the town will vote to accept any Trust Funds that may have been given to the town during the Fiscal Year 1981. (R)

ARTICLE 7. To see if the town will vote to fix the salaries and compensation of all elective officers of the town, as provided by General Laws, Chapter 41, Section 108: Moderator, Selectmen, Town Clerk, Assessors, Treasurer, Collector of Taxes, Elector Under the Will of Oliver Smith, Constables, Tree Warden and School Committee. (R)

ARTICLE 8. To see if the town will authorize the Selectmen to enter into agreements with the Massachusetts Department of Public Works for the maintenance and construction of highways. (R)

ARTICLE 9. To see if the town will vote to accept from the Commonwealth of Massachusetts any allotments of money to be used for highway construction, improvements and-or maintenance, and to authorize the Town Treasurer, with the approval of the Selectmen, to borrow in anticipation of reimbursement. (R)

ARTICLE 10. To see if the town will raise and appropriate the sum of \$212,921.65 for the operation and maintenance of local schools, and the sum of \$33,420.06 for Special Education under Chapter 766.

ARTICLE 11. To see if the town will raise and appropriate the sum of \$180,880.17 for the town's share of the operating expenses of the Frontier Regional School, including Special Education under Chapter 766.

ARTICLE 12. To see if the town will raise and appropriate the sum of \$50,948.96 for the town's share of the operating and capital expenses of the Franklin County Technical School.

ARTICLE 13. To see if the town will appropriate from available funds the following sums of money for the operation and maintenance of the S. White Dickinson Memorial Library: from the S. White Dickinson Library Fund \$4,128.00; from the S. White Dickinson Aged Persons Fund — \$500.00; and from the State Aid to Libraries Grant — \$1,250.00. (R)

ARTICLE 14. To see if the town will raise and appropriate the sum of \$1,352.00 as the town's share of the operating costs of the Tri-Town Beach District, any money received by the District from admissions and concessions to be retained by the District to be used in each of the following years to reduce the annual appropriations therefor by the member towns, or take any other action relative thereto. (R)

ARTICLE 15. To see if the town will transfer from Free Cash in the Treasury the sum of \$10,000.00 for the Stabilization Fund. (R)

ARTICLE 16. To see if the town will vote to amend the Frontier Regional School District Agreement by deleting the present summary and text under Section VI entitled Transportation and inserting the following summary and text:

#### SECTION VI. TRANSPORTATION

##### Section VI

Regular daily transportation to the Regional School Co-curricular and extra curricular activities requiring transportation, will be furnished by the Regional Committee and shall constitute operating expense.

The Regional Committee shall be responsible for providing transportation to and from the regional district once each day in which a regular session thereof is scheduled, to each student thereof who resides in a member town and who would be furnished such transportation if the regional district school were a town school. Such other transportation as the Committee may deem necessary shall be furnished by the regional school district, and the cost thereof shall constitute an operating expense.

ARTICLE 17. To see if the town will vote to amend the Frontier Regional School District Agreement by deleting the present summary and text under Section XI entitled Budget and inserting the following summary and text:

#### SECTION XI BUDGET

##### Section XI

Each years Regional School budget will be made public, submitted to the Finance Committee and the Board of Selectmen of each member town and brought before the townspeople of each town at a public hearing before a final budget is adopted by the Committee.

Annually, on or before December 1, the Committee shall prepare a tentative operating budget for the ensuing calendar year, attaching thereto provision for any installment of principal or interest to become due in such year on any bonds or other evidences of indebtedness of the District. Copies of the budget shall be mailed to the Chairman of the Finance or Advisory Committee of each member town; or, if there is no Finance Committee in a member town, to the chairman of the Board of Selectmen of such town. Not later than the first working Monday in January, the members of the Committee from each member town shall hold a public hearing in such town, at which they shall present the regional school district budget and shall answer any reasonable inquiries with respect thereto. On or before February 1, the Committee shall adopt a final budget with such modification in their tentative budget as they may consider desirable. Two thirds of the membership of the full Committee shall constitute a quorum for the adoption of the operating budget and the said budget shall be adopted by the affirmative vote of at least two thirds of the membership of the full Committee. Prior to February 28 of each year the treasurer of the Committee shall certify to the treasurer of each member town its share of such budget and its share of any installment of principal or interest to become due in the ensuing year on any bonds or other evidences of indebtedness of the district.

ARTICLE 18. To see if the town will vote to elect the Treasurer for a three year term, starting in 1982, or take any other action relative thereto. (R)

ARTICLE 19. To see if the town will vote to have its Selectmen appoint the Tree Warden, beginning in 1982, or take any other action relative thereto. (R)

ARTICLE 20. To see if the town will transfer from the S. White Dickinson Aged Persons Fund the sum of \$300.00 for the Council on Aging. (R)

ARTICLE 21. To see if the town will vote to set up an "Ambulance Replacement Fund" to accept donations to be used only to purchase a new ambulance in the future, or take any other action relative thereto. (R)

ARTICLE 22. To see if the Town will vote to exempt any sum or sums of free cash certified as of June 30, 1980, under the provisions of Section 12A of Chapter 151 of the Acts of 1979. (R)

ARTICLE 23. To see if the town will vote to instruct the Planning Board to look into changing the Zoning By Laws to favor allowing apartments in existing buildings in Whately, or take any other action relative thereto.

ARTICLE 24. To see if the town will vote to transfer from Federal Revenue Sharing the sum of \$900.00 for the purpose of purchasing a folding tank and the sum of \$350.00 for the purpose of purchasing 1-five inch double female adapter, for the Fire Department, or take any other action relative thereto. (R)

ARTICLE 25. To see if the town will vote to eliminate the "Selectmen's Orders Drawn" section in the Annual Town Report, or take any other action relative thereto.

ARTICLE 26. To see if the town will vote to authorize the Selectmen to sell or to dispose of the 1973 Chevrolet Highway Department Pickup, or take any other action relative thereto. (R)

ARTICLE 27. To see if the town will vote to raise and appropriate or transfer from available funds the sum of \$20,000.00 for Solid Waste Disposal, or take any other action relative thereto. (R)

ARTICLE 28. To see if the town will vote to appropriate a sum or sums to be used for highway construction, improvements and-or maintenance as the State's share and town's share under Chapter 329, and to meet said appropriation authorize the Treasurer, with the approval of the Selectmen, to borrow, raise by taxation, transfer from available funds or take any other action relative thereto. (R)

ARTICLE 29. To see if the town will vote to appropriate a sum or sums to be used for highway construction, improvements and or maintenance as the State's share and town's share under Chapter 570, and to meet said appropriation authorize the Treasurer, with the approval of the Selectmen, to borrow, raise by taxation, transfer from available

funds or take any other action relative thereto. (R)

ARTICLE 30. To see if the town will vote to appropriate a sum or sums to be used for highway construction, improvements and-or maintenance as the State's share and town's share under Chapter 480, and to meet said appropriation authorize the Treasurer, with the approval of the Selectmen, to borrow, raise by taxation, transfer from available funds or take any other action relative thereto. (R)

ARTICLE 31. To see if the town will raise and appropriate the sum of \$10,954.00 for constructing, maintaining and policing of town ways in accordance with the provisions of Chapter 497, Acts of 1971, as amended by Chapter 492, Acts of 1974, or take any other action relative thereto. (R)

ARTICLE 32. To see if the town will appropriate from its Federal Revenue Sharing Account the sum of \$3,800.00 for the purpose of purchasing a mobile Highway Line Paint Sprayer and twenty (20) gallons of paint, or take any other action relative thereto. (R)

ARTICLE 33. To see if the town will appropriate from its Federal Revenue Sharing Account the sum of \$2500 for a new boiler to be installed in the Center School, or take any other action relative thereto. (R)

ARTICLE 34. To see if the town will appropriate from its Federal Revenue Sharing Account the sum of \$2500.00 for completion of the new office in the Town Hall, or take any other action relative thereto. (R)

ARTICLE 35. To see if the town will appropriate from its Federal Revenue Sharing Account the sum of \$2100.00 for the purchase of small tools for use at the Town Garage, or take any other action relative thereto. (R)

ARTICLE 36. To see if the town will appropriate from its Federal Revenue Sharing Account the sum of \$2500.00 for the purchase and installation of a public address system in the auditorium of the Town Hall, or take any other action relative thereto. (R)

And you are directed to serve this Warrant by posting up attested copies thereof at the Town Hall and Post Office in said Town, seven days at least before the time of holding said meeting.

Hereof fail not and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this eight day of April in the year of our Lord one thousand nine hundred and eighty-one.

CHARLES N. BALDWIN  
BYRON D. CANNEY  
MYRON C. ORLOSKI  
*Selectmen of Whately*

(This copy of the warrant is for information only and may be revised prior to official posting.)

# Special Town Meetings

Special Town Meeting held June 30, 1980

Article 1. Voted that the Town appropriate from free cash in the treasury the sum of \$14,230.74 and to transfer that amount to the following accounts for fiscal 1980:

Board of Health	\$ 1,661.06
Building Inspector	314.50
Employees Vacation	294.00
Garage Maintenance	222.07
West Brook Bridge	469.36
Highways, Chapter 497	1,137.87
Town Hall Maintenance	90.51
Town Officers Expense	1,925.65
Fire Department	1,700.00
Civil Defense	52.88
S. White Dickinson Library	130.11
Insurance	2,613.55
Road Machinery	3,510.58
Interest	108.60

Vote: Unanimous

Article 2. Voted that the Town use land at the Town Garage site on Christian Lane for a transfer station.

Vote: For 18 Opposed 17

Article 3. Voted that the Town appropriate from free cash in the treasury the sum of \$20,000 for solid waste disposal.

Vote: For 20 Opposed 9

Article 4. Voted that the recommendations of the Solid Waste Disposal Committee and Selectmen be accepted and considered a part of the motion passed under Article 19 at the Annual Town Meeting held April 26, 1980.

Article 5. Voted that the Town appropriate from free cash in the treasury the sum of \$1,500 for the position of Town Accountant.

Special Town Meeting held November 19, 1980

Article 1. Voted that the Town transfer from free cash in the treasury the sum of \$1,996 to pay McGee and Magane for prior year bills

Vote: Unanimous

Article 2. Voted that the Town transfer from free cash in the treasury the sum of \$1,700 for Assessor's Maintenance Contract for Chapter 797.

Vote: Unanimous

Article 3. Voted that the Town transfer from Federal Revenue Sharing funds the sum of \$7,000 for the purpose of purchasing a 1/2-ton, heavy duty pickup truck for the Highway Department.

Vote: Unanimous

Voted to exceed the appropriation limit by \$39,773.17 and establish the appropriation limit under Chapter 151 of the Acts of 1979 at \$480,520.37.

Vote: Unanimous

Article 4. To see if the Town will vote to instruct the Selectmen of the Town of Whately to vote in favor of a transfer station, which will be located at the Town Garage on Christian Lane.

Article 5. To see if the Town will vote to instruct the Selectmen of the Town of Whately to vote in favor of weekly curbside pickup, including residential and business.

These two articles were non-binding advisory questions. There was con-

siderable discussion regarding both methods of waste disposal. Figures were given for curbside pickup and for the installation of transfer station buying the compactor and for leasing it. After considerable discussion with information being given by Selectmen, members of the Solid Waste Disposal Committee and a representative of Calduwood, Moderator Kenneth A. Daniels asked for a vote of those in favor of a Transfer Station and those in favor of curbside pickup.

Vote: Transfer Station 34 Curbside Pickup 4

Moderator Daniels stated that the concensus of the meeting was for a Transfer Station.

# Report of the Finance Committee

To the Citizens of Whately:

The articles for the Town Meeting Warrant have not been reviewed at this writing due to the schools not finalizing their budgets until later, therefore; the articles will be reviewed later and all recommended by this Committee will be followed by the letter R. There are no expensive projects contemplated for the ensuing year as we endeavor to meet the requirements of Proposition 2½ and still maintain the services to the Town. This committee recommends that all free cash left, be maintained in the free cash and stabilization accounts, as there is no way of knowing what the loss of revenues may be from excise taxes and what the Cherry Sheet may reflect. During this fiscal year a new accounting system has been put into operation with the addition of a Town Accountant. With full cooperation from all of the department heads this system should be most helpful to the Selectmen in managing the finances of the Town each month.

Respectfully submitted,

WALLACE E. GRAVES, *Chairman*

WALTER R. ORLOSKI, *Sec.*

MYRON A. MAIEWSKI

JOSEPH R. RUP

CARL W. BROOKS

DOROTHY S. BARONAS

HAROLD R. SWIFT

# Selectmen's Report

## To the Citizens of Whately

The past year has been both interesting and productive. At a time when the National economy is looking grim, we have kept our budgets tight while maintaining the same services as in the past.

We are continuing to pursue the solid waste problem which has plagued us for several years. At a special town meeting on June 30, funds of \$20,000.00 were voted for this purpose. Several hearings were held by your selectmen and Solid Waste Disposal Committee to get citizens input. The Solid Waste Disposal Committee worked long and hard, for which we are grateful. The board felt that a compactor and transfer station were the best and least expensive option.

The transfer station will be located near the town garage. The site has been prepared and the installation should be completed by spring.

It was also voted to establish a stump dump on town owned property off Webber Road. This tract must be surveyed and a new access road constructed since a home has been built on the former access road. It should be in operation by summer.

The office in the town hall, which was voted at our annual town meeting, has been constructed and a gas heater has been installed. Decorating and furniture are awaiting the appropriation of further funds.

A new 1981 GMC Pickup was purchased for the highway superintendent at a cost of \$6,000.00 to replace the old Chevrolet pickup which was beyond repair.

At the present time the road equipment is in good shape. Repairs have been made on the Back Hoe and a new front end bucket has been purchased for the Case tractor to replace the old one. The Highway Department completed many projects this year. Guard rails were installed at the intersection of Claverick and Chestnut Plain Roads and about .4 miles of this section was oiled. Approximately 2 miles of highway were oiled on sections of Westbrook Road, Dickinson Hill Road and Swamp Road. The parking areas at the Library, Town Hall, Town Garage, Fire Station and both East and Center schools were also sealed.

One mile of River Road beginning at the Deerfield town line going South was black topped from Chapter 90 funds. Yellow and white traf-

fic lines were painted on this section of highway and parts of Christian Lane, Haydenville Road and Webber Road.

Routine maintenance work was also carried on, such as: mowing shoulders, correcting drainage problems, cutting back brush and patching roads.

In 1981 we hope to finalize reconstruction on Chestnut Plain Road with 100% State reimbursement instead of repairing and maintaining this section with 100% taxation funds. Our highway superintendent hopes to set up a program of oiling all roads in a cycle of every four years. This will eliminate the constant patching of potholes and save the town money.

The Selectmen wish to thank all citizens of Whately who served the town so well in the past year and ask for your continued cooperation in the future. It has been our aim to work for the best interests of our fine town and keep it a desirable and decent community for future generations.

STANLEY W. HELSTOWSKI, *Chairman*  
CHARLES N. BALDWIN, *Clerk*  
BYRON CANNEY  
*Selectmen of Whately*

## Report of the Historical Commission

Monthly meetings have been held in the Town Hall during which taped oral histories with many of our citizens have been the main accomplishments of these meetings.

Mrs. Gertrude Bardwell has done extensive research on the Town Hall from its conception through current years. This has been forwarded to the Massachusetts Historical Commission in Boston for evaluation for submission to the National Register of Historic Places.

Respectfully submitted,  
BYRON CANNEY, *Chairman*

# Assessors' Report

To the Citizens of Whately:

The Board of Assessors has had another busy year. Our duties were of such a complicated magnitude that we found it impossible to set the tax rate in time for bills to go out on schedule. Many communities found themselves in a similar position for the same reasons. We appreciate your patience with us during these trying times. We present the following information to you in hope that you will better understand our problems and the reasons for the delay.

Chapter 797 required us to carry out two different, but related operations.

Originally we hoped the Department of Revenue would allow us to wait a year, and we could revalue selectively, bringing up the classes of land and-or buildings that were more or less out of line according to their analysis. However, they had a very rigid schedule of towns in different categories, and very definite ideas about when towns in each category would classify and revalue. Our tax rate would not be approved until we were classified and our values updated.

To comply with Chapter 797, we have multiplied all land and building values by a factor of 1.18.

Another part of Chapter 797 dealt with classification of parcels of land into various categories defined clearly in the law. The legal definitions did not always follow common sense definitions.

It became necessary for our appraisal service to change codes on all of the record cards to match the coding system set up by the Department of Revenue. This involved 1000 or more cards with anywhere from two to five changes per card, depending on the type and classification of the property involved.

After classification, commercial, industrial and personal property can be taxed at a higher rate than residential land. Assessors and Selectmen can elect to tax all property at the same rate. In an urban area, shifting the tax burden to income producing property makes a lot of sense. In a rural area, because there is not significant industrial and commercial property enough to make a difference, and because of the way the law is written, defining land under Chapter 61A, agricultural-horticultural

land, and all vacant land as commercial, it makes no sense for us to tax different classes at different rates. We did classify to comply with the law. But all classes will be taxed at the same rate.

All land over ten acres on a house lot has also been classified as commercial, again in order to deal with this law.

Proposition 2<sup>1/2</sup> did not generate the need for a great amount of extra work for the Assessors. It is more the responsibility of the Finance Board and Selectmen to deal with this problem.

We feel that it might be well at this time to point out that in 1982, effective in Fiscal Year 1983, we, again, as required by law, will have to update property values to 100% and, if necessary, change the present classifications. The Department of Revenue permitted us to do a comparatively simple job this time, but we have been told the next one will have to be more detailed and thorough operation.

Six years ago we had only one secretary and met once a month. We now have two secretaries and meet once a week and are just barely keeping up with our work.

In closing, we again point out that we are a part-time board, using part-time clerical assistance to accomplish results that many Boards of Assessors are finding it difficult to do with larger full-time staffs.

Regular meetings will continue to be held on the last Monday of each month except when that day is a holiday, in which case the meeting will be held on the following Tuesday.

We request that any business anyone may have with the Board of Assessors be scheduled for a regular meeting night, the last of the month. We keep this date "open" for this purpose. At all other times, we are tied up with routine office work and interruptions delay us to the point that we find it difficult, if not impossible, to keep up with our paper work.

Respectfully submitted,

MORRIS R. DWIGHT, *Chairman*  
EUGENE RUP  
BARBARA SCHNEIDER  
*Board of Assessors*  
*Town of Whately*

# Report of the Fire Chief

The Whately "Volunteer" Fire Department recorded more runs during 1980 than in 1979. This has been the trend during the last few years with more homes and a larger transient population. The ambulance made about 60% of the total runs, and the fire equipment about 40% ; a breakdown is shown later in this report.

The four house fires were not serious ones ; however, as I have previously stated, faulty chimneys are the cause of smoke and structural damage if they are not checked and cleaned regularly. With increased use of wood stoves and furnaces, your chimneys must be in good condition. If you should have a chimney fire which is more than the prescribed "burn out" recommended by air-tight stove manufacturers, please request assistance from the Fire Department because the temperature inside the chimney can be in excess of 2,000 degree Fahrenheit, and cracks can occur in partitions with a disastrous house fire resulting.

The Whately Firefighters' Association has completed and presented the Town a 2,250 gallon tank truck. This truck is replacing the 1954 Dodge 1,000 gallon tanker. By putting this truck into service, we have tripled our water carrying capacity (a total of 3,500 gallons) in the past seven years. With no hydrants in our town, we feel that "water on wheels" is very essential to suppress fires quickly. The Department hopes that the taxpayers will vote to purchase the requested portable tank and adapter which has been requested in the 1982 fiscal budget. This piece of equipment has proven invaluable to other towns that do not have available water supplies.

The State Fire Marshall and State and local police have spent endless hours trying to apprehend our barn burning arsonists after the Town lost two more tobacco barns during 1980.

Fire calls are as follows:

House	4
Barns	2
Chimney	5
Smoke investigation	2
Grass and brush	13
Dump	3
Accident standby and washdown	7

Vehicles	6
Runaway engine	1
Snowmobile	1
Hot Ashes	1
Sawmill	1
Public Utilities (tree)	1
Total	47
Mutual Aid to Whately	2
Mutual Aid to other towns	7

Whately's Ambulance Service has increased in need as our Town grows and more people require the services that Emergency Medical Technicians can provide. The volunteers responded to 79 calls during 1980 to all types of emergencies. Located as we are mid-way between Greenfield and Northampton, we must continue to provide this service for our people. It is very difficult to assure our residents that Emergency Medical Technicians will be available at all times. We have back-up arrangements, but this takes time. We need more Technicians, especially during the day. If anyone is willing to offer their services, the Department is willing to help finance their training. Due to the uncertainty of response, the Department does not feel that any type of charge for services should be inaugurated at this time. Contributions are used to replace the supplies used and add equipment to the ambulance.

Ambulance calls are as follows:

Franklin County Public Hospital	28
Farren Memorial Hospital	7
Cooley Dickinson Hospital	33
Others	2
Non-transport	9
Total	79
Mutual Aid to Whately	3
Mutual Aid to other towns	9

Tri-State Mutual Aid has been of great help again this past year. The Towns of South Deerfield, Sunderland, and Whately work closely together in almost every emergency: if not there, we are alert for each other's needs.

The Whately Fire Department is a "Volunteer" Department, ready to assist Townspeople 24 hours a day for fire or medical emergency. If you do not have telephone decals with our Emergency Number, contact one of the officers and they will see that you have one for each phone. To summon aid, dial 665-2167. I wish to emphasize that if you must dial the operator instead, be sure to give the name of the Town and State — This is necessary because the operators are no longer in local offices. We recommend that you also give street numbers, and leave your porch or front light on to assist us in locating your home.

I wish to thank the Board of Selectmen, my officers, members of the Fire Department and their wives, and all the Emergency Medical Technicians who have responded in all kinds of weather this past year. You were all great and make our Town a safer and healthier place to live.

Respectfully submitted,  
RICHARD S. HANNUM  
*Chief*

# Public Health Nurse's Report

March 1, 1980 to December 1, 1980

As of March 1, 1980, Whately contracted with the Visiting Nurse and health Services to provide health services to the town.

The Visiting Nurse and Health Services in Franklin County, Inc. is located at 50 Miles Street in Greenfield. It seeks to promote individual, family and community health.

The Agency offers three major programs:

1. Nursing care in the home. This includes physical therapy and occupational therapy.
2. Homemaker — Home Health Aide Services.
3. The Womens, Infants & Children Program (WIC).

A staff of 14 RN's provide nursing care to the sick in the home. Anyone may call for this service. The patient's physician indicates the specific care required. Home visits are also made to expectant parents, new mothers and babies. Group conferences are held for expectant mothers and parents on maternal and child health care and parenting.

The Homemaker — Home Health Aid staff of 75 offer assistance in homemaking to the sick, disabled and elderly. The Home Health Aide is trained to provide personal care under the direction of the nurse.

The Women, Infants and Children Nutritional Assistance Program provides nutritional counseling and foods to eligible pregnant and post partum women, infants and children under 5 years of age in order to improve their health.

The hours of service are from 8:00 a.m. — 9:00 p.m. daily. If you have questions about the health programs for mothers and children please call for further information regarding scheduled parents groups, nutritional counseling clinics or when the Maternal Child Health Nurse can visit your home.

The Visiting Nurse and Health Services in Franklin County, Inc. is certified by the Mass. Dept. of Public Health. Certification indicates that Federal and State standards have been met and that the agency is eligible to be reimbursed by Medicare, Medicaid and other insurance programs.

## NINE MONTH REPORT

In Whately, the Visiting Nurse and Health Service in 9 months made:

- 519 Home visits by the nurse
- 30 Home visits by the Speech Therapist
- 774 Hours of personal care by the HHA
- 3,060 Miles in travel

In 9 months the Agency was reimbursed for these visits as follows:

- 257 Medicare
- 158 Medicaid
- 61 Other (Insurance, etc.)
- 4 Part fee
- 37 Free

Respectfully submitted,  
CONSTANCE PETRUNENKO  
*Executive Director*

## Report of the Zoning Board of Appeals

To the Citizens of Whately:

During the year of 1980 the Zoning Board of Appeals scheduled six (6) hearings for Special Permits. All of the permits were granted.

This board meets the first Thursday of each month at the Town Hall at 7:00 p.m. All of our meetings are open to the public and anyone interested may attend. We are here to serve the public. Any complaints by citizens will be looked into promptly. It is only by complete cooperation with other Boards, Town Officials and citizens that our job can be done efficiently.

Respectfully submitted,  
KENNETH DANIELS, *Chairman*  
MURIEL PASIECNIK  
RALPH FARRICK

# Library 'Trustees' Report

The Library is going through a transition period both from a standpoint of a new administrator and the ever present financial dilemma, facing not only the Trustees but all of the Town departments.

We have been fortunate to acquire a person with the caliber of Karen DeSalvio, to the position of Librarian. It is a new experience for her plus the task of facing a legacy left by her predecessor, that has dominated the educational and social functions of the library for more than a generation. She has accepted the challenge and added a new dimension. She is young, energetic, eager to help and to please the Library patrons, both young and old. We are pleased with her work.

Financial circumstances make it difficult to establish Library hours that would be suitable to everyone. Heat and energy conservation, assistant help to the Librarian, the allocated salary for the Librarian are all problems that face the Trustees. It is our desire to offer the best possible services to the library patrons within the resources with which we have to work.

SABIN P. FILIPKOWSKI  
HERBERT F. STEEPER  
MURIEL P. BARKER  
MERIT P. WHITE  
FELICITY F. BARBER  
CAROLYN MEUNIER

## BEHIND THE STATISTICS

Adults found high adventure, in books like Robert Ludlum's *The Borne Identity* and Dick Francis' *Whiphand*, and enjoyed best sellers such as Belva Plain's *Random Winds*, Judith Krantz's *Princess Daisy* and Helen Van Slyke's *No Love Lost*. In non-fiction there was interest in economy as evidenced by the reading of books like Howard Ruff's *How to Prosper During the Coming Bad Years* and Alvin Toffler's *The Third Wave*. Biographies ranked high with non-fiction readers, Michael Korda's *Charmed Lives* and *Donahue* by Donahue, and crafts and home decorating books remained popular. Teenagers read books on witchcraft and the supernatural, question and answer books dealing with sexuality, and sports books. They read mysteries, stories grappling with contemporary teenage issues like those written by Betty Miles and Judy Blume, and horse stories. Dinosaurs were popular with the very young, as well as all of Beatrix Potter's bunny tales; Dr. Seuss, Sesame Street and Richard Scarry books continued to be in constant circulation.

## THE LIBRARY YEAR

**GIFTS:** The Whately Lions gave their annual subscription for the Large Print *Reader's Digest* plus a generous donation used toward the cost of other periodicals such as *Scientific American*. The Whately Lionesses gave a gift that was used in the purchase of young children's books. The Soffers gave their annual donation to the Richard Warner LaSalle Memorial Fund. Beth and Douglas MacDonald gave the Library subscriptions to *Reader's Digest* and *Early American Life*. Other gifts received were periodicals from Ena Cane, Felicity and John Barber, Alice Grafflin, Sally Klingener and Anna Morton, sports magazines from Lil and Albert Graves, and books and periodicals from Elliott and Muriel Barker.

The annual CHRISTMAS FAIR owed its success again this year to the people of Whately who contributed their time and energy. Ena Cane generously loaned us her knowledge and expertise from her many years of past experience with Whately Book Fairs, as well as lots of time and energy to the new librarian before and during the entire Fair. Kathi Gannett and Girl Scout Troop No. 39 made the popcorn wreaths and dough ornaments that festively decorated the library, highlighted by a cloth wreath. Whately women baked a scrumptious variety of goodies from fudge to cherry cheesecake and the baked beans that were definitely a selling item. The raffle gave away a painting donated by Kathryn Davidson and a basket of household brushes given by the Fitters.

Much appreciation goes out to those who worked to make the Fair happen: Ena Cane and Felicity Barber who selected and sold the children's books, Alice Grafflin who selected and sold the Adult books, Ella Fritsch who coordinated the food table assisted by Nancy Klingener, Anne Steeper and Glynda Nickerson, Herbert Steeper who set up and took down the Fair, and Lace Sluter who took responsibility for the raffle table throughout the Fair. The money raised from this year's Book Fair is intended to be used for the purchase of adult large print books.

The year's EXHIBITIONS included photographs by Elizabeth Marsh, Gabriel Cooney and Laurie Brassard Wolff; Needlework by

Idelle Denchy Clapp, Flora Dickinson and Kathi Gannett; Woodwork by Stuart Ludlam; and Paintings by Kathryn Davidson, Evelyn Dickinson Dwight, and Maurice Kennedy.

The LIBRARY is tremendously fortunate to have Alice Grafflin whose cataloging skill keeps new books going out on the shelves soon after they arrive. Many thanks goes to the crew that keeps the driveway plowed and sanded, and to Pete Orloski who tends to things whenever asked.

The library continues to feel appreciated and supported by the community it serves.

Respectfully submitted,

KAREN J. DeSALVIO  
*Librarian*

# Report of the Animal Inspector

To the Citizens of Whately:

The annual inspection of barns for the year of 1980 has been completed.

I hereby submit the following report:

Fifteen barns housed the following:

186 head of cattle

21 horses

1 goat

14 swine

All of the dairy herds have been tested as specified by State rulings and under State supervision. All but six (6) of the horses have been tested for EIA (Equine Coggins Test) and vaccinated against EEE-WEE under the new State rules.

The barns were all in satisfactory condition and all of the animals appeared in good health and free of disease.

Five (5) cases of dog bites were reported during the year. All of the dogs were quarantined according to the State law for a period of fourteen (14) days. During the period of quarantine none of the dogs showed signs of rabies so were released.

As you know the Town of Whately does not have a specific area to quarantine dogs, therefore it must be done on the premises of the owner. Your cooperation in keeping your dog confined during this period will be greatly appreciated.

Respectfully submitted,

MICHAEL PASIECNIK  
*Inspector of Animals*

# Police Department Report

I respectfully submit the report of the Whately Police Department for the year ending December 31, 1980.

Fire Arms Permits	41
Accidents Reported	10
Accidents Investigated	19
Complaints Received and Investigated	48
Warrants Served	2
Summons Served	3
Show Cause Hearing	1
Assist State Police	40
Assist Neighboring Police	28
Attend Fires	10
Park Disturbances Investigated	8
Motorcycle Complaints Investigated	6
Burning Abandoned Cars	2
Family Disturbances	9
House Breaks Reported and Investigated	5
Vehicle Breakdown Received and Investigated	2
Merchandise Stolen or Lost	6
Disturbing the Peace	4
Vandalism	7
Prowlers and Suspicious Persons	6
Report Dogs Lost	7

Now, more than ever, there is an extreme need for more dedicated individuals on our force to uphold the laws and regulations instituted by the selectmen for the protection and well being of our citizens.

Many thanks to the individuals and police officers who were so cooperative and supportive during the past year.

Respectfully submitted,

STANLEY W. HELSTOWSKI  
*Chief of Police*

# Report of the Tri-Town Beach District

To the Citizens of the Town of Whately

The Tri-Town Beach experienced its most successful season this past year. The dock and barbecue grills were repaired. Maintenance of the beach facilities continues to be a priority. Revenues collected were substantially increased over previous years. As customary, tests of water quality showed excellent results. The Tri-Town Beach continues as a seasonal recreational area for the residents of Deerfield and Whately. Our thanks to the Whately and Deerfield highway and police departments for their assistance.

GERALD FORTIER, *Chairman*  
BLAKE GILMORE  
DANIEL HARRIS  
KENNETH MOULTON  
WILLIAM SKROSKI  
JANET KELLOGG

## Cemetery Commissioners' Report

1980 was for the most part a routine year in our three cemeteries. Mowing and trimming were the major areas of expenditure.

Center Cemetery suffered vandalism. Due to the cooperation of the neighborhood, the vandals have been apprehended and partial restitution has been received. The damaged stones have been repaired.

Respectfully submitted,

ADELIA A. BARDWELL, *Chairman*  
FRED W. BARDWELL  
KENNETH A. DANIELS

# Report of the Planning Board

To the Citizens of Whately:

The Planning Board herewith submits its annual report to the town.

We have continued to work with the proposed subdivision and 1981 will find it becoming a reality. This is the town's first subdivision and our board has attempted to follow all laws that effect such a development. Curran Associates of Northampton represent us and will be making checks during construction of drainage and the road.

New homes may obtain their assigned numbers from this board.

We extend to Sandra Kirwood and Stuart Ludlam appreciation for their innumerable hours of past services as chairman and secretary respectively.

Respectfully submitted,

FRED W. BARDWELL, *Chairman*

DONALD SKROSKI

RICHARD GREEN

STUART LUDLAM

SANDRA KIRWOOD

*Planning Board*

# Report

## Energy Conservation Commission

To the Citizens of Whately:

With the cost of fuel rising steadily, the Whately Energy Conservation Committee is monitoring the proportion of Town money going to the fuel companies. Now that the Library's budget for fuel is equivalent to its budget for books, it is time that the Town evaluate its priorities in how the money is being spent. The role of the Energy Conservation Committee is to identify conservation measures and to research investments that will allow the Town to keep future fuel costs in the proper proportion relative to other important services for the Townspeople.

The Committee is presently trying to conduct energy audits on three Town buildings for the preparation of a Federal Grant administered by the State to assist Schools, Hospitals and Local Governments in investing in energy efficient equipment or in installing conservation materials or instruments in their buildings.

This past year, the committee compiled information about state and federal tax credits for investments in alternative energy and about weatherization and conservation methods for the home. If you missed our display at the Fall Fair or at the Library and would like some information, Please call any of the committee members.

# Report of the Tree Warden

To the Citizens of Whately:

The Tree Department will be hit hard by the axe of Proposition 2½. I predict that the Town will no longer be able to plant trees. Contributions or ideas are welcome. The biggest problem the Tree Department had, was and will be gypsy moth. There is another caterpillar coming down from the north called "Saddle Prominent." He is easily identified by a saddle on the top of his back. Both of these together could be devastating. When the matter of the gypsy moth and spraying was brought up to the Finance Committee, they stated, "Let the State worry about spraying." Originally everyone thought that the severe cold winter would kill the gypsy moth but the lab tests show most are alive and well. The trees can only endure three years of defoliation and I strongly recommend spraying the road side trees.

The Utilities have assisted in cutting down trees that interfered with their lines and the Tree Department has cleaned up. I have heard that the most money the Telephone Company is going to spend this coming year is a maximum of \$1,000.00 per Town. This would be a big set back.

The Department of Natural Resources did not assist in any cutting. We were able to purchase at half price some very nice bagged trees and planted 30 new trees last year.

Respectfully submitted,

PETER HANNUM

*Tree Warden & Moth Superintendent*

# Council on Aging

ALAN TILTON, Chairman	1982
FLORA JOSEPHS, Secretary	1981
JOSEPH ADAMSKI	1982
NELLIE HUTKOSKI	1981
ELEANOR GRAVES	1981

The Whately Council on Aging has continued to meet on the first Monday of every month.

In an effort to assess the needs and interests of the Seniors in Whately, a questionnaire was sent out. From the response, it was determined that a significant segment of the Senior population was interested in activities for enjoyment, especially trips. The Council eagerly planned a couple trips, one to Old Sturbridge Village and the other to the Mt. Snow Valley in Southern Vermont. The two trips were considered a great success and the Council plans to sponsor others in the future. Many thanks to Frances Meunier, our Travel Coordinator. Other activities included a game night and a Christmas party.

The steady attenders of the monthly Council on Aging meetings urge other Seniors in Whately to come, join in the fun, and help us serve our community.

Respectfully submitted,  
FLORA JOSEPHS, *Secretary*

# Report of the Building Commissioner

To the Citizens of Whately:

This year has shown the most permits issued in 5 years. During 1980, a total of 68 permits were issued. The breakdown is as follows:

## FOR:

construction of new homes	3
chimney construction and wood stove installation	10
construction of garages — storage shed — barns	13
demolitions	8
renovation work to existing structures and additions	19
pool installations — above or below ground	3
installation of solar collectors systems	2
erection of steel tanks	1
moving of structures	4
erection of signs	3
outdoor pavillions — temporary	2

The 1980 decade is upon us, and energy conservation is at a peak. The permits issued indicate that people are becoming more and more aware of it. The need for more efficient use of energy is immediate and energy planning must begin with the best ideas that are available to us now. With this — many sought permits to do renovation and-or addition work to their existing structures. Along with renovation work, many constructed chimneys and installed wood stoves. These improvements are definitely energy cost cutters.

Unfortunately with mortgage rates and real estate prices sky-high, homebuilding is collapsing. The construction of new homes declined from previous years, only 3 new homes were constructed in 1980.

The outlook for 1981 — hopefully improvements in the economy.

I wish to extend my appreciation to all the citizens of Whately for your continued cooperation and assistance throughout the year.

Respectfully submitted,

STANLEY A. ASHMAN  
*Building Commissioner*  
*Town of Whately*

## Board of Health

January 1, 1980 to January 1, 1981

- 15 Septic systems approved:
  - 9 Existing houses
  - 4 new houses
  - 1 gasoline station, B.P. Service station
  - 1 trailer Park, Rainbow Motel
  
- 42 Perc tests taken:
  
- 39 Passed

Respectfully submitted,

CHARLES N. BALWIN, *Chairman*  
Board of Health

# Report of the Whately Recreation Commission

To the Citizens of Whately:

1980 marks another successful year of operation of the Whately Youth and Community Center.

We are very pleased that various groups and organizations such as the Cub Scouts, Girl Scouts and Brownies, Children's Play Group, Whately School System Physical Education Programs, Lionesses and Lions Clubs are utilizing the building throughout the year.

This is the first year we have had a problem with vandalism. Windows were broken to gain entry and minor damage was done inside. We have installed heavy wire mesh on the outside of all the windows to stop this. We also had the lock changed and new keys made.

Our objectives for the upcoming year is to provide programs for you, the Citizens of Whately, young and old. The Commission's meetings are held the second Tuesday of each month at 6:30 p.m. We welcome your ideas for programs and your attendance at these meetings.

We would like to thank Barbara Lassek for her devotion and the hard work she did as Chairperson during her term on the Commission. We would also like to welcome Mary Hannum our newest member.

Respectfully submitted,

JAMES LaSALLE, *Chairman*  
LINDA PUCHALSKI, *Secretary*  
GEORGE KANE  
CHESTER GANNETT  
MARY HANNUM

# “Stump Disposal Facility”

## Rules & Regulations

Located in the Town gravel bank off Webber Road

1. The facility shall be limited to the following items only: stumps, trees, branches, brush, leaves and wood items from demolition. Items that will not be allowed to be dumped include, but not limited to; appliances, furniture, automobiles, auto parts, agricultural waste, garbage, household rubbish, paper, cardboard, glass products, bricks or concrete block from demolition.
2. At no time shall the facility be operated in such a manner as to pose a threat to public health or be detrimental to the environment. It will be the responsibility of the Board of Health and the Conservation Commission to control such matters.
3. The only people authorized to use the facility other than during the hours of operation will be the Highway Supt. & the Tree Warden.
4. A gate is to be installed at the entrance to the gravel bank and keys to the gate shall be held by the Board of Selectmen, Highway Supt., Tree Warden, Fire Chief, and Dump Attendant.
5. Hours of operations for the facility shall be flexible and set by the Board of Selectmen. Any time there is a change in the hours of operation, the new hours shall be posted in the Town Hall, Post Office, and published in the Greenfield Recorder & Hampshire Gazette newspapers.
6. It will be the attendant's responsibility to segregate material into designated areas, such as branches in one area, stumps in another, etc. All material is to be burned, chipped, or removed from the site. Under no conditions shall material be buried except for the ashes from the burning operations. Cord wood, wood chips and demolition material may be removed from the site by citizens.
7. Special dumps may be made by contacting the Board of Selectmen. A minimum fee of two hours pay for the attendant will be charged.

Miss Sheila Bushman	Vocal Music
Mrs. Pauline Grinnan	Art
Mr. Gerald Levine	School Psychologist
Dr. John Lambdin	Clinical Psychologist

## SALARY SCHEDULE EFFECTIVE SEPTEMBER 1, 1980\*

Steps	Bachelor's Degree	Master Degree	Master's Degree Plus 30 Hours
Min.	10801	11304	11806
1	11179	11681	12185
2	11543	12046	12548
3	11889	12391	12895
4	12233	12737	13239
5	12580	13083	13584
6	12925	13427	13931
7	13271	13773	14275
8	13804	14308	14810
9	14151	14652	15156
10	14496	14999	15501
11	14872	15375	15878
12	15444	15947	16449

### GENERAL POLICY CONCERNING NO SCHOOL

It will be the policy to close school only in cases of extreme weather conditions. When schools are open on stormy days parents are urged to exercise their personal judgement as to the wisdom of sending their children to school. If it is necessary to close school, notification will be broadcast over Radio Stations WHAI, & WPOE, Greenfield; WHMP, Northampton; WHYN, Springfield; and WTTT, Amherst.

### SCHOOL ACTIVITIES:

October 1979

Lazy Eye Clinic sponsored by Whately Lioness

November 1979

Elks Free Throw Competition

Open House at both Schools

December 1979

All children participated in a Christmas Program at the Town Hall

March 1980

Social Studies — Science Fair

April 1980

Evening of the Arts (Music & Art Program) held at the Town Hall

May 1980

Spring Concert (Frontier)

Memorial Day Exercises

June 1980

Field Trip Grades 3 — 6 Worcester Science Museum

Field Trip Grades K — 2 Pratt Museum in Amherst

Second Annual Track Meet vs. Sunderland Competition won by  
Sunderland

Field Day — Grades K — 6

Annual Look Park Outing — Grades K — 6

Title IV — B Grant:

\$ 322.00 Money used to purchase new edition of World Book  
Encyclopedia.

## NEW CURRICULUM

This year a new Science Program will be implemented in Union No. 38. The new curriculum is published by the Merrill Publishing Co. entitled *ACCENT ON SCIENCE*, 1980 edition.

Mr. Thomas Bell represented Whately on the study committee for this curriculum review. Mrs. Linda Gorey was the alternate for Whately.

It should be noted that the reason for this curriculum study was a result of the discontinuance of the McGraw Hill Publishing Co. of the existing program entitled *EXPERIENCES IN SCIENCE* which had been utilized by Union No. 38.

## ADDITIONS — REPAIRS

East School:

Storage Cabinet Built — Mr. & Mrs. Edward Wykowski Donation

Driveway Sealed — Town Highway Department

Center School:

Storage Shelves Built — Mr. & Mrs. Edward Wykowski Donation

Kindergarten Storage Cubes Installed

Driveway Sealed — Town Highway Department

Outside railings installed on side door entrance

## P.T.O. SPONSORED

Purchase of Child Craft Encyclopedia — Center School  
Funded transportation for Field Trip to both Pratt Museum and Worcester Science Museum  
Funded Annual Look Park Outing  
Purchased new electric typewriter for school  
Purchased two (2) World Globes  
Purchased two (2) Tape Recorders

## BASIC SKILLS TESTING IMPLEMENTATION

During the 1980 — 1981 school year, Union No. 38 will begin to administer testing of Basic Skills at the elementary level. The Metropolitan Achievement Test, 1980 edition, was selected by the Implementation Committee for use as the elementary standard.

Whately was represented on this Implementation Committee by Mrs. Irene MacDonald. The areas to be tested this year will be as follows:

### The Early Elementary Level:

Math — Grade 2 — May 1981  
Reading — Grade 3 — May 1981  
Writing — Grade 3 — January 1981

### The Late Elementary Level:

Math — Grade 5 — November 1980  
Reading — Grade 5 — May 1981  
Writing — Grade 6 — October 1980

The writing sample topic will be selected by the Implementation Committee and scored by the Holistic Method. Reading and Math (Metropolitan) will be hand scored.

In conclusion I would like to report that the Whately public schools enjoy a stable work force, financial stability and sound educational program. This soundness is a direct result of your cooperation and support over the past years. I take pride in our system and hope to make continued progress.

Respectfully submitted,  
ALFRED J. LAUDE  
*Superintendent of Schools*

# Report of the Special Education Administrator

I hereby submit the annual report on Special Education for the town of Whately for the calendar year 1980.

As the seventh year of implementing the Massachusetts State Special Education Law, Chapter 766, gets underway, we see the advent of the Federal Law PL 94-142, the Education for all Handicapped Children Act, requiring full implementation nation-wide. This legislation has been enacted to protect the rights of all handicapped children ages 3-21 and guarantee free appropriate public education utilizing a least restrictive setting.

The town of Whately is making all efforts to provide program options and services for special needs students. As the new Special Education Administrator, I am pleased to welcome Linda Schwartz, the new Resource Teacher, who will be providing special education services to students as well as serving chairperson of the evaluation team and working closely with regular education staff. The evaluation team process includes identification, referral evaluations and individual program planning for students. Throughout this process, the staff works very closely with parents.

Other Special Education staff serving the Whately schools are Thema Williams, Speech Therapist, Sue Read, School Counselor and Gerald Levine, School Psychologist. They provide direct services to children as well as doing assessments and participating as members of the evaluation team. Dr. Lambdin, who has been appointed Consulting Psychologist under the Federal Grant, is available to work with students, parents, faculty and administrators, and assists in program planning and implementation.

The cooperation and support of the Principal, Mr. Donald Skroski, the staff is greatly appreciated, and it is with these shared efforts we will continue to work within the goals and spirit of the Chapter 766 Special Education Law.

Respectfully submitted,  
JANICE K. LACHOWETZ  
*Director of Special Education*

# School Nurse Report

I wish to submit the School Health Report for the year ending 1980.

The School Nurse is now under the complete jurisdiction of the School Committee. I spend one full day a week at the Whately Center and East Whately School, usually on Monday and am available during the week if an emergency arises.

All children in grades Kindergarten through six have had vision and hearing testing done with failure notices sent to parents with recommendations to see an appropriate physician. Heights, weights and blood pressure were completed on all children.

Physicals were done on children in grades 1, 3 and 5 with parental consent by the now retired school physician Dr. Louis Boeh.

Postural screening was done for the first time on all children in grades 5 and 6, with no serious findings.

Health Education continues to be done including dental care pediculosis film strip, menstrual film for girls in 4th, 5th, and 6th grades. The children in grades one through six were instructed in the Heimlich Maneuver in cooperation with the EMTs' in your community.

Throat cultures continue to be done as requested by parents. This program is sponsored by the American Heart Association.

I have also been involved in Chapter 766 Core evaluations for children with special needs and make home visits as requested by the Special Education Department.

The children appear to be in good physical, social and mental well-being with no epidemics, serious illnesses or in juries.

I wish to thank Mr. Skroski and all the teaching staff for their help and support in making my school nurse's work a rewarding experience.

Respectfully submitted,

ALICE MAIEWSKI, R.N.  
*School Nurse*

# Franklin County Technical School District

## Annual report of the Chairman

For the calendar year January 1, 1980 — December 31, 1980

To the citizens of the member towns of the Franklin County Technical School District: Bernardston, Buckland, Colrain, Conway, Deerfield, Erving, Gill, Greenfield, Heath, Montague, New Salem, Northfield, Rowe, Shelburne, Sunderland, Warwick, Wendell, and Whately.

Another busy year has passed at the Technical School; some major things were accomplished. First, a change in the Administration structure was designed to eliminate overlapping responsibilities. Some Administrative positions were realigned and others were redefined while still retaining the same fine staffing quality which has existed at the School.

After much study, an agreement was reached to expand the agriculture program to include animal sciences. This has not, as yet, come to full realization, although much ground work has been done. We are anticipating a healthy future in this area, especially when the new Multi-Species Animal Building is operational.

As you know, the second multi-year contract with the Teachers Association was signed only recently. The Committee feels this contract to be fiscally sound and at the same time respectful of the excellent teaching staff that the District has employed.

Your District Committee has twenty-two members and is one of the largest in the State. It seems appropriate to offer a word of thanks to all of the members for their excellent participation and attendance record; a quorum is rarely a problem.

Further appreciation is extended to the entire Tech School Staff for their fine efforts and accomplishments; I would especially like to single out for special praise our Custodial Staff. Their extra care and dedication have helped to keep this the best maintained School in the Commonwealth.

Finally, it is my belief that continued cooperation among and between

all concerned will enable the District Committee to continue to maintain the high degree of fiscal responsibility and judgement that has been our trademark in the past.

With high hopes for the future, I respectfully submit this report.

Respectfully submitted,

ROBERT MACGREGOR, III  
*Chairman*

# Annual report of the Superintendent – Director

Calendar year January 1, 1980 — December 31, 1980

I am pleased to submit my fifth annual report of the management of the Franklin County Technical School. As in my previous reports, I will attempt to briefly summarize the more significant aspects that have contributed to our school's growth during this past year.

As in our two previous years, the Tech School reached a maximum capacity in its day school student enrollment. For the first time, however, there is a large waiting list of both District and non-District students. The October 1, 1980 enrollment report listed 576 male and 284 female grade 9 — 12 students. Our women enrollment continues to increase; and, this year, women were registered in all 18 shops. Fifty percent of this year's ninth grade class were women. The District residents may be interested in the enrollment by trade and technical areas:

	(M)	(F)	Total
Agriculture	37	22	59

The Adult Education Program continues to operate at near capacity in 19 trade and technical courses. In addition, area industries are utilizing the Tech School's facilities and staff in our manpower training program during our non-school day periods.

As in the past years, the school has been the proud beneficiary of a number of substantial donations from area business and industrial firms. Also, through the generosity of many individuals, firms, and civic and fraternal organizations in the District, our graduation scholarship funds reached another record high.

Since the major goal of a Vocational Technical education is "to prepare students to seek, acquire, and succeed in a specific trade, technical, or occupational field," the school continued to stress and improve our job placement and cooperative work experience programs. Over ninety four percent of the 1980 senior class were successfully placed in career related occupations or advanced into post secondary training programs. Our largest group of seniors, to date, fifteen percent of the class, enrolled in two and four year colleges. Also, through the financial assistance of a federal grant program, a large number of our handicapped students were successfully placed in self-supporting employment.

A major innovation this school year was the inauguration of a school wide testing and remediation program in the state mandated Basic Skills areas. Major emphasis is being directed to the improvement of mathematics, reading, writing, and listening skills as they apply to all subject and shop courses.

As in the past, the Culinary Arts, Agriculture, Auto Mechanics, and Cosmetology programs continue to receive very strong community support throughout the year.

In closing, I would like to briefly offer my assessment of the Technical School's future role in Franklin County. Certainly, along with every town and county municipal body, we anticipate that the fiscal effects of Proposition 2<sup>1/2</sup> will be paramount beginning with the next budget. The District Committee will present, for approval, a FY—1982 Budget four percent over last year's District Assessment. Therefore, we should be within the legal limits. However, it will be impossible to maintain present staff, programming, and operational capacity under a four percent future annual growth pattern. The spector of energy problems, particularly those relating to transportation and utilities, are awesome. This School District has already begun both short and long range energy

audits and conservation programs. Every aspect of the school's day and evening programs are being reviewed for cost saving benefits.

The present student application list, and our future projections indicate that interest in this school's programs will continue at a very high degree. Women applicants will continue to demonstrate strong growth. Consequently, with leveling or declining enrollments in the area high schools, it is imperative that an orderly and systematic total county wide educational planning program be implemented. This has already begun.

It seems equally certain that this Vocational Technical training school will be called upon to develop effective long range adult job training and retraining programs. As the County School's Coordinator for all Ceta Youth Programs, we have already begun to develop models for successful adult employment programs in association with the other area post secondary schools. As a further assistance toward the area's public and private efforts in developing new jobs and businesses in Franklin County, we have joined with the Franklin County Chamber of Commerce and the Franklin County Planning Office by offering our computer facilities and staff to assist with future economic analyses.

Finally, I would like to express my gratitude to our entire educational community at the Tech School for their significant assistance and cooperation during our successful fifth school year. I am indebted, also, to hundreds of parents, townspeople, business, industrial, and educational benefactors for giving so generously of their time and talent to our school's growth. And certainly, Mr. Chairman, I wish to express my appreciation to you and your Committee. Your consistent support, encouragement, and confidence in my administration of this fine school is deeply rewarding.

Respectfully submitted,

JAMES J. O'NEIL, JR.  
*Superintendent-Director*
